

14 Gordon Street, Penola

Tastefully renovated with a view

TDC are proud to offer this tastefully and lovingly renovated family home which has without a doubt, one of THE BEST views in town. If you are looking for a place to call your own or perhaps a property for a b'n'b (currently operating as a b'n'b), then snap up this gem. Sit back, relax and soak in that stunning, rural outlook as all the hard work has already been done for you.

The heart of any home, is the kitchen. And this kitchen is classy... Warm timber benchtops combine with a classic white colour pallet with plenty of bench space and storage. Gas cooktop, stainless appliances, dishwasher drawers, backlight cabinetry and a farmhouse sink put this kitchen a class above the rest.

Extending out from the open plan kitchen / living / dining is the conservatory. Affording those priceless views, a sense of spaciousness and injecting a slathering of gorgeous natural light into the living area. This space acts as an extension to the living area AND has the option to be closed off by way of versatile and stylish shutters.

There is so much more to love about this house;
