

24 Young St, Penola

Neat home - big block - great location

Investors / retirees / first home owners – This is a must see.

There is a lot to like about this solid brick veneer, 3-bedroom home. The large (1020m2 approx.), low maintenance block with bore, is located in one of Penola's most attractive streets, lined with trees and only a stones throw from the main street.

The home itself presents well and lends itself to various scenarios; Ready to move in as is, renovate or even extend with plenty of space to the rear of the house. Currently tenanted – Investors looking to start / increase their investment portfolios should definitely add this to their property hit list.

The heart of the home offers a practical open plan kitchen / dining which connects onto the large living room. Here there is a slow-combustion fire place as well as air-conditioning for year-round comfort.

Other things we love about this property;

- Separate shower and bath.
- Separate toilet.
