- The Vendor quotes the property stocks 1000 cross breed ewes and 80 breeding cows. The property is more than capable of increasing the DSE with pasture renovations. Fantastic opportunity under the right management structure to trade and finish off prime lambs with irrigation infrastructure in place.
- Pastures include sub clover, phalaris, native grasses and fog grasses plus lucerne under pivot.
- Gently undulating land, ranging from dark grey sandy fertile loams to lighter loam - yet still very productive. On the flats varying depths of loams over clay, between 20cm to 40cm.
- Situated in the rainfall area of 650mm, with an abundance of underground water
- Connected to mains power, mobile phone service available
- Stock water by electric pump, located at the rear of the house, gravity fed via 38mm poly to concrete troughs
- Peerlilla has been well fenced into 12 paddocks, all watered
